

My Dream of Crystal Dishes, By Pat Chadwick

I felt compelled to share this dream, after recently reading a message by Roy Weldon, where he says, **“The King will see them and lead them into the city and they shall see a table set...Then shall their souls melt and mourn the wasted years spent in vain pursuit of this world.”** (See Flash Card 113-Roy Weldon’s Message)

Several years ago, I had a most unusual dream. In this dream I was preparing for a great banquet to honor my King. I was looking for serving bowls to use on the King’s table. I went into a supply room and there on an antique sideboard sat a plain glass bowl. I looked at it and thought this will never do, it is not worthy to be used on the King’s table. Then through the window came a shaft of light and it shone upon the bowl, and I understood this was the light of Christ.

The light was absorbed into the bowl, so that the bowl was full of light. It did not just reflect the light but absorbed it into itself. When this happened, the bowl began to change and it was transformed into a beautiful crystal bowl. I understood this is what happens when we actually take Christ into our inner being and our daily lives and live by His commandments, we are changed. Following this transformation, I saw thin gold filaments like strands of gold shoot through the glass bowl and this enhanced its beauty even more. I understood this was the endowment which will come when we start living on a higher level. Brother Weldon’s message spoke of that, how we must come up to a higher level and move to higher ground in personal righteousness. He said, **“I see as this people shall move to higher ground, for every height they shall scale, heaven shall reach down. They shall come in increasing contact with the powers of God.”**

In Bro. Weldon’s message, the Lord said, **“The need is very great it is later than you think.”** In my dream I felt this urgency and I knew more serving dishes were going to be needed. I looked on the sideboard and noticed more dishes. They were all plain glass some were even broken and chipped. I was dismayed at their condition. Then I saw this same light shine upon them and they too were transformed. They shone gloriously with gold filaments through them also. I knew these dishes would be pleasing to the King and would serve Him well. No matter how broken we are, if we will come unto Christ, we can be restored, we can shine gloriously and serve the King of Kings.

The King is Coming let us all hurry to become vessels of honor, sanctified and meet for the master’s use.

When I awoke from my dream (on the front of this card), this scripture came to my mind:

But in a great house there are not only vessels of gold and of silver, but also of wood and of earth; and some to honor, and some to dishonor. If a man therefore purge himself from these, he shall be a vessel unto honor, sanctified, and meet for the master's use, and prepared unto every good work.
