

ZION THE BEAUTIFUL BECKONS US ON

By Fred M Smith,
(From The Writings of President Frederick M Smith)

Shall Zion be, and if so, how? Shall it be so far as we are concerned, and if so when. Are we started? ...Are we going to go forward or are we as a people going to let the forces of opposition and evil procrastinate still more and raise a smoke screen of incidentals and trivial questions to side track us from the constructive work of putting Zion into effect and demonstrating to the world the feasibility of our social philosophy?

Are you started toward Zion? Are you ready for stewardship? Zion the beautiful beckons us on. Are we going to respond to the call? Are we going to answer to the beckoning of Zion the beautiful in a way that shall enable us to say we are working for the establishment of the Kingdom of God so that the will of Christ shall be done on the earth?

So that the will of God bringing peace to humanity will be established, where each man can sit down within the confines of a perfect home and be happy with the conditions that surround because there is not that which shall injure in the land? Young people and old people, are we ready to answer that beckoning of Zion the beautiful?
