

Last Days Experiences – Card 4

Taken from a message given by Karl Anderson, Knob Noster Restoration Branch 2-23-2020

Karl continues, and he shared Ed Story's dream: "Ed was in a large city with a beautiful harbor. He saw 5 large masts and was intrigued that these 5 masts were so large and knew it must be a large ship. He headed to the harbor and came to a gate. There was a gate keeper there who said, 'Ed I have been expecting you.' The gate keeper told Ed that he was John the Baptist. Ed said he had seen many ships before, but this one was wooden. It was exquisitely built, some of the prettiest wood he had ever seen assembled together...Ed marveled at the beauty of the ship. Ed asked John who the builder was, and John told him, **'This ship was not built by human hands. It was built by my cousin.'**

He told him the ship was built for speed and efficiency. He told him that the ship had been out once on a maiden voyage, and the maiden voyage was such a beautiful thing...**But John told him that it takes many individuals to make the ship work. Then he proceeded to tell him that many people had walked the decks of the ship, but few had stayed.** He also told him that the ship would never age...**He then said the ship was glorious, it had the winds that prevailed and that it was set to sail anywhere, all over the ocean, and there was nothing that could stop it.**

So, Ed asked him why it had not been used more. John told him that it had never been able to assemble a crew of that magnitude again. Ed awoke from the dream and prayed over it and was told the ship was the church."

Karl states, **"The same message was given to me that she needed a crew that knew how to secure her safe in the harbor and prepare her for the storm which was to come. Before she could be used again the way God wants to use her, she has to survive the coming storm—the great crises that is just before us. Quite an incredible testimony if you consider it." (To be continued...)**

Therefore, tarry ye, and labor diligently, that you may be perfected in your ministry, to go forth among the Gentiles for the last time, as many as the mouth of the Lord shall name, to bind up the law, and seal up the testimony, and to prepare the Saints for the hour of judgment, which is to come; that their souls may escape the wrath of God, the desolation of abomination, which await the wicked, both in this world, and in the world to come (DC 85:23a-b).
