

Dinner?  
Still Virtual!

**Benefit REAL!**

For the third time in 34 years, it seems advisable for our community NOT to bring a big crowd together the Friday before Thanksgiving to enjoy a salmon benefit dinner. At the same time, the need for financial support for EDELAC, the School of the Streets in Quetzaltenango, Guatemala, is greater than ever because the usual income from guiding treks remains curtailed. Last year, our "virtual dinner" sustained their library, the second grade teacher, and computer access for students. We hope to meet that goal again with your help!

Because of the great need, Langley United Methodist will again host the benefit without the party! Please contribute generously by visiting [www.langleyumc.org](http://www.langleyumc.org). Checks also accepted.

**ALL** of your donation goes directly to the school. Donors who contribute before Thanksgiving (Nov. 24) will be eligible for 4 drawings that include:

- \*Salmon dinner for up to 6 delivered to your Whidbey home on a convenient date!
- \*Beautiful woven tablecloth as shown in the above photo
- \*Delicious pie of choice from Whidbey Pies
- \*Colorful Guatemalan scarf

**MUCHOS GRACIAS POR TU DONACIÓN**
