OUR MISSION

We are dedicated to supporting breast cancer patients and their families by providing crucial financial assistance during their most challenging times. Our aim is to alleviate their fundamental financial burdens by ensuring they have:

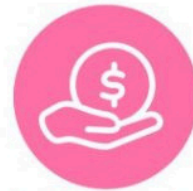

Gas In The Tank

Food On The Table

Care For Children

Bills Paid On Time

ABOUT US

Affectionately known as 'The Swing', Swing for the Lowcountry, was born when our founder observed and discussed financial needs with patients and doctors as she journeyed through breast cancer herself. Their focus should be on recovery versus being worried about bills. Studies have shown that recovery success rates are significantly higher when patients receive funding to address food issues and other essential care. That's why we're passionate about offering financial assistance precisely when it's needed most. Plus, our 100% voluntary board is dedicated to making a difference without strings attached. Let's swing into action!!

HOW WE DO IT

Since 2021, The Swing has successfully raised over \$750,000. Our collaboration with the MUSC – Hollings Cancer Center enables us to support breast cancer patients across the Lowcountry. Remarkably, \$.95 cents of every \$1.00 we spend goes directly to a breast cancer patient.
